19 **ORDER DENYING MOTION TO
CONSOLIDATE CASES**

20
21 Defendants Equifax, Inc. and Experian Information Solutions, Inc. move to consolidate
22 more than 170 cases filed in this district over the past year by Plaintiff's counsel, Sagaria Law
23 P.C., alleging credit reporting inaccuracies based on Chapter 13 bankruptcy proceedings. Federal
24 Rule of Civil Procedure 42(a) provides: "If actions before the court involve a common question of
25 law or fact, the court may . . . consolidate the actions." Whether or not to consolidate cases is at
26 the discretion of the district court. *Inv'r's Research Co. v. U.S. Dist. Court for Cent. Dist. of
California*, 877 F.2d 777, 777 (9th Cir. 1989).

27
28 Consolidation across the district is not warranted at this juncture. The motion to
consolidate is thus denied. However, consistent with evolving district practice, all cases assigned
to the undersigned that name the same defendants and involve similar allegations will be
coordinated. To date, those cases are: 3:16-cv-05672, 3:16-cv-05699, 3:16-cv-05717, 3:16-cv-
06328, 3:16-cv-06366, and 3:16-cv-05696. To the extent possible, those cases will be heard on
the same dates for hearings. For case management, the parties must file one joint case
management statement for all six cases, but they should file the document in each case. Pursuant
to Civil Local Rule 7-1(b), this matter is suitable for disposition without oral argument and the
February 23, 2017, hearing will be vacated.

1 IT IS SO ORDERED.
